RE: Athletic participation fees

The Tomorrow River School District believes that involvement in school activities is an important part of the total educational opportunity in the Tomorrow River Schools. To offset expenses connected to extra-curricular activities in the district, the Tomorrow River School District will assess an athletic participation fee to all students who wish to participate in any sport that the high school or middle school offers. This fee is not new to our district and most schools associated with the WIAA have charged participation fees to their athletes. The participation fees are:

Grades 9-12: \$50 per sport with a maximum of \$100 per student, per year

Grades 6-8: \$25 per sport with a maximum of \$50 per student, per year

\$150 maximum per family, per year

Please contact the Athletic Director if you feel your family's income requires special consideration for the above rates.

Fees and all paperwork are required prior to the start of the sport season in which your son/daughter plans to participate. Participation may be denied until all fees are paid. Thank you for your cooperation in this matter.

Respectfully,
