

# INFORMATION FOR SCHOOL MEAL PAYMENTS

Our food service program allows each family to make one payment for a family unit, no matter how many children you have in the school district. The cost of each child's meal will be subtracted from your family's food service balance each time they eat a meal. You may pay for any number of meals that you wish. Money may be placed in your family account at the open house on August 29<sup>th</sup>. **YOU MUST HAVE MONEY IN YOUR ACCOUNT ON THE FIRST DAY OF SCHOOL.** Any funds remaining at the end of the year will be rolled over to the next school year. (In the situation of a graduating student being the last of a family unit, unused meal credits can be donated to the Falcon Fund or collected by the parent or student prior to the end of the school year.) If you feel your household may qualify for free or reduced priced meals, please complete an application form as soon as possible. Forms are available at each building office and the district office, or by calling 824-5521 ext. 1.

Milk that is taken in your child's classroom during snack time will be deducted monthly from your family account at the beginning of each month for the previous month's charges.

Drop boxes are located near each school office. Envelopes should be used to hold payments prior to being placed in the drop boxes. (Do not place cash for one meal in the drop boxes. Daily payments must be made through the lunch line.) Envelopes should be sealed and include the following information:

- Date
- Amount Enclosed
- Parent Name
- Names of all children within your family unit

**Do not include any other fee payments with Food Service payments.**

**(CHECKS can be made PAYABLE TO TR SCHOOLS ~ NSF'S will be charged \$15.00)**

You can view your account balance on SKYWARD FAMILY ACCESS. If you wish to receive your password information to Family Access, please contact your building secretary.
